Dashed box represents the printable image area for silk screen printing. All images and text copy must fit inside this box on spot color, screen print banners.

Dashed lines across top and bottom represent the pocket seams.

Full-bleed, digital banner artwork: avoid putting verbiage copy in top and bottom pocket areas. Background graphics can bleed all four sides.

18" x 36" banner

scale: - .2"=1"

PROOF RESPONSIBILITY

Please review all spelling, designation of ink color on design, placement of design on banner. Note: The appearance of ink color may vary depending on fabric color. Every effort has been made to create this proof accurately. Since there is always the possibility of incorrect interpretation, we request that you review this proof carefully. Printing trade customs relieve us of responsibility if work is printed per customer's OK.

I reviewed this proof and it is acceptable to print as shown.
